About ZeteKidz

ZeteKidz is an international philanthropic foundation created by the Zeta Psi Fraternity of North America in 2002.

With operations in both the United States and Canada, ZeteKidz is dedicated to helping children in need of medical or educational assistance.

As a 501c(3) organization, all donations to ZeteKidz USA are fully tax deductible for businesses and individuals.

All proceeds from this first annual golf tournament will be distributed to organizations throughout the United States in order to aid children with medical and educational needs.

Each chapter of the Zeta Psi Fraternity is encouraged to support the mission of the foundation by holding an annual event to raise money and awareness. This year, the Nu Chapter at Case Western Reserve University is pioneering this event. With your help it will become an annual tradition.
